

ORDINANCE NO. 17 (SED)
Adopted August 13, 1962

AN ORDINANCE COMPELLING CONNECTION WITH THE STERLINGTON SEWERAGE SYSTEM.

Sec. 1. Effective October 1, 1962, the owners of all premises, within 300 feet of a sewer line of the Sterlington Sewerage District, using septic tanks or outdoor toilets, must connect with the sewer line; that all connections shall comply with the specifications on file in the office of the Sterlington Sewerage District. All property owners coming within this category must fill in their septic tanks or outdoor toilets with dirt or sand, effective October 1, 1962.
